At Skytag we make site security affordable. Simply rent the 'LockUp' for the length of the project and return the equipment when you're done OR purchase the unit outright and take it from site to site.

Skytag also offers exceptional deals on hardwired **alarms** for your completed constructions as well as **ducted vacuum** and **intercom solutions** (roughed-in during frame stage).

Skytag is a Queensland owned and operated business. We deliver across Australia. All prices quoted are ex GST. We're happy for you to contact us:
